

# THE STEADFAST LOVE OF THE Lord NEVER CEASES... HIS MERCIES NEVER COME TO AN END!

"The Lodestar Mountain Inn allows the 'average' person to have a place to get away and encounter God. It will certainly help a lot of people. This amazing retreat will be available and continue to impact lives for Jesus for a long, long time."

## Lodestar Guidance Training

"The greatest benefit of Lodestar Guidance is its applicability. It is where 'the rubber meets the road.'

Whether it be businesses, non-profit organizations, churches, or families, Lodestar Guidance covers situations that all leaders face. Leaders use Lodestar Guidance for everyday challenges so their teams successfully overcome everyday challenges. This program helps leaders find their voice as they help others find theirs."

John Hollis, DE  
Lodestar Guidance Sales Team Member

## Students of Evangelism

"It is so serene; you really feel God's presence around you. You can certainly tell that the Lord is there, and you can see the passion in all of those who are involved. It is so remote that it is just you and God - no distractions - no social media. The Lodestar Mountain Inn is a true spiritual retreat."

"I love the solitude of the Lodestar Mountain Inn. It is God's country! Personally, I feel that I can hear God's voice better when I am among His nature. The Lodestar Mountain Inn is a beautiful example of what it feels like to be alone with God. No noise. No distractions. Quality time with the One who loves you."

Greg Tutwiler

"The Lodestar Mountain Inn is fantastic! We absolutely love the place. It is beautiful, especially at night. Due to the remoteness, there is no light pollution and the stars light up the sky."
